About Big Brothers Big Sisters of Central Indiana

Big Brothers Big Sisters of Central Indiana is a non-profit organization that develops mentors committed to helping boys and girls grow into the next generation of caring, confident and competent adults. An affiliate of Big Brothers Big Sisters of America and a United Way partner, BBBS CI has been creating and supporting mentoring relationships in central Indiana for over 40 years.

A new study conducted for Big Brothers Big Sisters by Harris Interactive® finds adults who were Little Brothers or Little Sisters, for one year or more, are 75% more likely than their peers who were not involved in the organization to have four-year college degrees and 39% more likely to have household incomes, as adults, of \$75,000 or greater. They are also significantly more likely to volunteer in their community and have positive relationships with their family and friends.
