

TIMELINE FOR BECOMING A DEFENDER OF POTENTIAL

STEP 1

Submit your inquiry form to become a Big.

STEP 2

A BBBS staff member reaches out to you to schedule your "Overview and Screening" call to discuss next steps.

STEP 3

Turn in your references and submit your background check. Hang tight while we process those!

STEP 4

Come into the BBBS offices for an interview with a member of our Enrollment and Matching team.

STEP 5

We review your complete application and make a decision. If we determine our program is not the best fit for you, you receive a letter in the mail.

STEP 6

You've been accepted! Come back to the BBBS offices for a "Mentor 101" training with other newly accepted Bigs.

STEP 7

It's Match Introduction Day! Meet your Little and their family. Review goals with your Mentoring Relationship Specialist, get some BBBS swag, take a picture, and plan your first outing!
