Modified Summer Camp Programs:

The following summer programs have modified their summer camp in a way to help slow the spread of COVID-19. This includes adding locations to spread children out or decreasing camp sizes.

- Carmel Parks and Recreation Summer Camp Program will offer modified camps running every weekday from 7:30 a.m. to 5:30 p.m. in various facilities around Carmel. All camps will be programmed for general camper interests with an emphasis on fresh air and active play.
- Sprouts Cooking School summer camp will be offering a limited schedule with limited numbers for camper participation. <https://sproutscookingschool.com/>
- The Indianapolis Art Center has adapted to offer online programs. Families now have the choice to participate virtually or on-site. <https://www.indplsartcenter.org/camps>
- Summer U at University High School will offer virtual camps in June and July.
<https://www.universityhighschool.org/academics/summer/>
- Camp Invention Connect is a summer program that turns curious students into innovative thinkers. They have adapted their curriculum so that kids can receive kits to work on at home.
