A MESSAGE FROM LEADERSHIP

At Big Brothers Big Sisters of Central Indiana, **we celebrate the everyday moments of joy, connection, and impact.**

We see it when Little Brother Jonah, who participated in Group Mentoring while waiting for a mentor, finally gets matched with a Big of his own. We see it when Little Sister A'Nijah, who graduated from the BBBSCI program, excitedly shares with her Big Sister Gail that she was admitted to nursing school.

Every text, every call, every word of encouragement. **These seemingly ordinary moments of connection can build an extraordinary bond – and they show up in everything we do.**

Through the core of our mission, One-to-One Mentoring, **877 youth experienced mentorship with 934 mentors.** We also provided support to **378 youth waiting to be matched with a Big** through Group Mentoring and Collaborative Programming. Collectively, **1,255 young people benefitted** from mentoring relationships and experiences – with **every program experiencing growth.**

This growth was possible because we evolved and designed more ways to reach our community's kids. BBBSCI now proudly supports a spectrum of mentoring services. New this year, we re-introduced **Site-Based Mentoring** where Bigs meet with Littles at their school once a week, and we launched **Beyond 18 Mentoring** which offers continued support to young adults ages 18-25 after they graduate from high school.

The culmination of this work goes beyond organizational achievements – it means that more of our community's kids get **access** to the support they deserve, feel a sense of **belonging** through their mentoring friendships, and see all the **opportunities** that are possible for them.

These moments of joy, impact, and service evolution aren't accidental. **It all happens because of you.** Because you show up as a Big. Because you make a donation that empowers a young person to chase their dreams. Because you tell a friend about the importance of mentorship, and they decide to sign up.

We are proud to share some highlights of this past year with you, and we thank you again for your belief in our community's young people and support of Big Brothers Big Sisters.

LITTLE SISTER JAIME & BIG SISTER JALEESA

NATIONAL BIG AND LITTLE OF THE YEAR

Jaime and Jaleesa were matched in 2019 at a difficult time in both their lives after they had both recently lost father figures. Their mentoring relationship quickly became a steady source of light and happiness that guided them through their grief. Whether they were spending time together preparing Jaime for the PSATs, pushing Jaleesa outside of her comfort zone to try the high ropes course at Eagle Creek Park, or just catching up over dinner – Jaime and Jaleesa created a unique and unbreakable sisterhood that they will cherish for life. They were recognized as a 2026 National Big & Little of the Year at the BBBS National Conference this past June in Atlanta, Georgia, after being chosen from hundreds of deserving matches.

[Click here](#) to watch their story!

Love, Jaleesa

Jaleesa and I are only one match out of many. We are not a perfect match, but we are perfect for each other, and BBBS did their best with this one!

Jaime graduated from high school and started her first year at Indiana University-Bloomington to double major in Astronomy & Astrophysics and Accounting. She was also the recipient of the Herman Family Scholarship Award – the largest scholarship offered by BBBSC!

LITTLE BROTHER GRAYSON & BIG BROTHER DANIEL

AMERICA'S AWESOME KID OF INDIANA

Little Brother Grayson was matched with his Big Brother Daniel in February 2025. Over their time matched together, Grayson and Daniel have explored the Indianapolis Zoo, learned how to play tennis, and gone on nature walks. They love to learn more about animals, insects, and all living things because Grayson wants to be a marine biologist when he grows up. Just this year, Grayson was named America's Awesome Kid for the state of Indiana by PBS Kids in celebration of the 250th anniversary of the United States!

ONE-TO-ONE (1:1) MENTORING

SITE-BASED

Returning this year at IPS 51, Bigs and Littles built meaningful mentoring friendships by meeting at the Little's school once a week during lunchtime.

COMMUNITY-BASED

Through relationships lasting 1 to 10 years, Bigs and Littles built powerful connections resulting in social, emotional, academic, and positive behavior outcomes.

BEYOND 18

This program provides professional mentoring and support to young adults after high school as they transition to independence and navigate careers and postsecondary education.

EVERY LITTLE MOMENT MATTERS

There are **a million little moments** that happen between our Bigs and Littles to create an impactful connection; these are just some of the ordinary moments that build something extraordinary.

Crew for Kids
hosted by:

LEARNING TO GIVE BACK

Bigs & Littles are always encouraged to engage in community service together as a way to build empathy and compassion for others. One way they volunteer is through **Crew for Kids hosted by Crew Carwash**, which raised \$217,794 for BBBS agencies throughout Indiana and Minnesota in 2025!

FUN!!!

Big Night Out presented by:  **pepsico**
Food. Drinks. Smiles.

DUNKIN' AT BIG NIGHT OUT

BBBSCI hosted 568 Bigs, Littles, families, and partners at The Children's Museum of Indianapolis for our largest family and match celebration of the year, **Big Night Out presented by PepsiCo**. Big Night Out is just one of 116 activities we hosted for our matches last year!

VIP STATUS AT THE TRACK

Little Brother Bryson explored the track and went behind-the-scenes at Indianapolis Motor Speedway, alongside Big Brother Sonny, as part of the **500 Bigs by the Indy 500 volunteer recruitment campaign**, where we recruited 638 potential mentors.

LEARNING & LOOKING FORWARD

Our annual Career Exploration event, a part of the **Big Futures: Career & College Readiness program presented by AES Indiana**, brought together more than 25 businesses and organizations that shared all the opportunities Littles have to build their own successful future.

Little Impacts Lead to Healthy Futures presented by:  **Ascension St. Vincent**

NEW BIKES, NEW HABITS

Thanks to Change by One, a non-profit founded by alumni Big Brothers Mark Glass and the late Brent Wernecke, 13 Littles received new bicycles and helmets to kick off the summer - providing more access for kids to spend time outdoors, build healthy habits, and utilize our trailways.

FACING FEARS & GOING GREEN

Little Brother Donovan, alongside Big Brother Bryce, conquered his fear of public speaking by doing a live interview on the news for our **Paint the Town Green campaign** where 50+ businesses throughout Central Indiana turned our community green in support of mentorship.

A NOTE ABOUT OUR FINANCIAL STANDING

Big Brothers Big Sisters of Central Indiana is excited to share that the agency ended the fiscal year in a strong financial position. Thanks to healthy reserves and a diversified revenue base, we remained stable amid uncertainty. Additionally, BBBSCI had the capacity to invest in strategic growth to explore strategies that serve more young people in Central Indiana - leading to a 6% service growth this past year. By pairing disciplined stewardship with sustained investment in our mission, BBBSCI is well positioned to meet emerging community needs and protect the long-term sustainability of our work.
