CELEBRATING OUR PAST, IGNITING THEIR FUTURE

50 YEARS OF IMPACT

ANNUAL REPORT

2019-2020
As we reflect on this past year and over 50 years of Big Brothers Big Sisters in Central Indiana, we are proud to celebrate 25,000 mentoring relationships between our community’s young people and dedicated volunteers. The significance of these relationships is best understood through their individual stories – learning why a parent enrolled their child, what inspired a volunteer to sign up, how they bonded or clicked in the beginning, the ups and occasional downs as their friendship grew and got stronger, what they learned from each other, the milestones they celebrated or sometimes endured together, and the ways that their lives became embedded as friends or family.

Big Brothers Big Sisters has continually adapted to maximize the impact of our program, and this year is no different. Although much has changed since Big Brothers of Greater Indianapolis and Big Sisters of Central Indiana were founded in the early 1970s and merged in 2002, one thing is constant: young people are full of inherent potential. We must do everything we can to surround them with the encouragement, guidance, and opportunities to defend, ignite, and empower that potential. That is especially true during these uncertain times when many kids are disconnected from school, teachers, sports and activities, coaches, and family. Our work is more important than ever, and we’re working with our volunteers to adapt and be there for our community’s kids like never before.

In this year’s report, you’ll get to see impact stories that span five decades. From high school graduations, to weddings, to new jobs – our matches have shared some of life’s biggest and smallest moments together. We are proud to have played a part in making these relationships possible, and we are grateful for your support.

Thank you,

DARCEY PALMER-SHULTZ
Chief Executive Officer

FIVE DECADES OF LIFE-CHANGING FRIENDSHIPS

Ken and Alan were matched in 1973. Alan faced some challenges in his young life and Ken stepped into the picture at the perfect time. Not long after their match ended, Alan signed up to be a Big, not once, but twice! “The guy I am today, a lot of it is because of him. He was a big reason why I became a Big twice. One could say it was a pay it forward kind of thing, but I saw the way he impacted my life, and I wanted the opportunity to impact other boys’ lives.” – Alan, Little Brother (and two-time Big Brother)

In 1988, Adam was matched with his first Little, Wayne, and they graduated from the program in 1995. After completing high school, Wayne followed in Adam’s footsteps and attended Purdue University. Though Wayne lives out of state, he maintains a close friendship with Adam and asked him to be godfather to his son. Adam is a two-time Big Brother and was named the 2009 Indiana Big Brother of the Year. “We always enjoyed spending time together and going through life’s challenges with each other. I was proud when he asked me to be the Best Man in his wedding. We’re still best friends to this day.” – Adam, Big Brother

Becky’s mother enrolled her in the BBBS program because she wanted Becky to receive some one-on-one attention from a positive female role model. Becky was matched with Big Sister Jenine in 1995 and they quickly developed a strong friendship. They were there for each other, cheering each other on during all of life’s important moments - including new pets, career changes, and relocating across the country. “I learned from Jenine that you can change someone’s life by being there for them. Jenine taught me that I could do anything. She is family.” – Becky, Little Sister

Doug joined BBBSCI in 2001 and was matched with 9-year-old Little Brother, Will. Doug introduced Will to all kinds of new adventures, such as mountain biking, darts, and off-roading. The two have grown closer over the years and they still meet for coffee every Wednesday. Doug and Will share stories about their families, business, and dreams. “There is so much that I can learn from Will, and that’s always been true, but especially now. Will has a tremendous amount of energy about him, a zip for life and a real discipline for business. I look forward to my ’Wednesdays with Will.’” – Doug, Big Brother

Inga was matched with Vanessa in 2015, and wasted no time in helping Vanessa prepare for life after school. They toured colleges together, participated in S.T.E.M. activities, and explored potential career opportunities for Vanessa. In the midst of helping Vanessa plan for her future, the match explored the city by visiting local museums, the Indianapolis Zoo, and cheering on Indy’s teams at different sporting events. “Inga was the perfect Big Sister for my niece. She is patient, persistent, and very caring. I am so thankful for all she has done and appreciate her willingness to share her life with Vanessa and me.” – Vanessa, Vanessa’s aunt

IN HONOR OF OUR 50th ANNIVERSARY, BBBSCI introduced a new leadership giving society. The Light One Match Society encompasses a distinguished group of donors making gifts of $2,000 or more. Gifts at this leadership level fund at least one new mentoring friendship annually. Al and Shary Oak, dedicated supporters of BBBSCI, helped establish this new giving society through a $50,000 commitment from the Oak Family Fund. Al was past president of Big Brothers of Greater Indianapolis and has served as a Big multiple times. Every new gift of $1,000 will be matched by the Oak Family until 50 new matches have been supported.

We believe in the profound mission of BBBSCI and have seen the impact. Shary and I know how important new donors are for the long-term health of the agency, and we are pleased to support that growth with our matching gift.

EMPOWERING PROGRAMMING

The Little Impacts program is a year-long series of outcome-oriented programming that encourages development in elementary and middle school-aged Littles. These activities align with the Thrive Foundation’s 12 Thriving Indicators of Youth Success and programming is made possible through generous corporate sponsors.

Big Futures, our career and college readiness program, presented by Indianapolis Power & Light, prepares 400 high school aged Littles for their biggest possible futures as they work towards graduation and explore post-graduation opportunities. This year’s events included a graduation kick-off, college visits, a career exploration panel, an etiquette dinner and lesson, and a Dress with Confidence Workshop with Nordstrom.

TRANSFORMATIVE PARTNERSHIPS

BBBSCI was selected by BBBS of America in 2017 to be one of 20 BBBS affiliates in the nation to join the LGBTQ+ Mentoring Enhancements Project to provide culturally competent services to LGBTQ+ youth, parents/caregivers, and mentors. BBBSCI’s LGBTQ+ Champions group works to accomplish collaborative policies and initiatives to best work with and serve the LGBTQ+ community.

BBBS of America and the NFL partnered together for Inspire Change, a social justice program aimed at supporting initiatives that reduce barriers to opportunity. Locally, BBBSCI partnered with the Indianapolis Colts to create more opportunities for matches, including a special Colts Game Night, Shop with a Colt, and a Meet & Greet with Devin Funchess. Funding from the Inspire Change partnership supported 19 Littles impacted by incarceration.

ABOVE & BEYOND IN 2019

BIGS AND LITTLES OF THE YEAR

Matched in 2016, Little Sister Sami and Big Sister Angie have done a variety of activities together from antiquing to attending Beatles Tribute concerts. “It’s hard to articulate the impact of our relationship, because at this point, it feels like Sami has always been part of my life,” Angie said.

“ANGIE HELPED ME COME OUT OF MY SHELL. SHE ALWAYS SUPPORTS ME AND IS TRULY INVESTED IN MY FUTURE.”
– Little Sister Sami

Little Brother Nigel and Big Brother Willie were matched in 2015. They have focused on learning new games, staying active, and planning for Nigel’s future. “I’m impressed with the mark Nigel has made and will continue to make on this earth. His humble and hardworking mindset is a perfect example of how he can accomplish so much,” Willie said.

“WILLIE IS A POSITIVE MALE ROLE MODEL WHO LOOKS LIKE ME, ENCOURAGES ME, AND STRENGTHENS ME DAILY.”
– Little Brother Nigel

COMMUNITY MENTOR AWARD

The Community Mentor Award is presented each year to an individual(s) in the community who demonstrates a passion for developing the potential of others and a commitment to mentoring as a personal philosophy and way of life. Aaron Boyle is the Co-Founder and Managing Principal, and Kelly Boyle is the Principal of Midland Atlantic Properties in Indianapolis.

Aaron and Kelly have been supporters of BBBSCI since 1999 and both joined the Board of Directors in January 2005. Currently, Aaron is on the Board of Directors and serves as the Chair of the Facilities Committee. Kelly rolled off the Board in 2009 but continues to be involved with BBBSCI as a part of the Facilities Committee and as a Big Sister to Little Sister Natalie. Most recently, Aaron and Kelly were critical in searching, assessing, and securing the building that would become BBBSCI’s new mentoring center. Through their efforts, BBBSCI has a bolder, stronger presence in the Central Indiana community. In addition to their commitment to BBBSCI, Aaron and Kelly support several organizations in the community and have three children – Hannah, Sam, and Olivia.

BBBSCI is infinitely grateful to Aaron and Kelly for their many years of service to our program and the greater community. We thank you, Aaron and Kelly, for your relentless dedication to BBBSCI and for believing that every child deserves someone special to stand in their corner.
MAKING MEMORIES

Our new mentoring center hosted anniversary events and match activities this year with many Bigs and Littles, families, partners, and special guests.

INVESTING IN THE NEXT 50 YEARS

In January 2020, Lilly Endowment, Inc. awarded BBBSCI a sustainability grant of $7.5 million to be placed in an endowment fund. This grant is one of 13 grants in a series totaling $54.7 million that are designed to help organizations that serve children and youth in Central Indiana. Of the $7.5 million grant to BBBSCI, $7.1 million was placed in an endowment fund to support strategic initiatives including technology upgrades; employee recruitment and retention efforts; and new fundraising initiatives that will enable the organization to sustain and strengthen its service into the future. Traditional fundraising for ongoing annual support will continue as this funding does not support general operating costs.

In 2020, the world changed, and we know these uncertain times have a significant impact on kids. Now more than ever, kids need additional support and someone to stand in their corner. BBBSCI prioritized the health and safety of all constituents by adapting effectively to keep kids connected: supporting families by connecting critical resources; delivering meals; and serving over 1,000 matches through virtual matching, programming, and events. We are in this together, and at BBBSCI, we are committed to keeping kids connected, celebrating, learning, playing, encouraged, and excited for their future.
