This program is a paid, full-time summer employment opportunity that offers real-world experience at OneAmerica, one of Indy's largest companies.

Our overall program objective is shared learning. We're ready to learn from you and understand your fresh perspective as we think about our company's future workforce needs; and our leaders are eager to share some practical knowledge in hopes of helping you prepare for life beyond high school.

Throughout the summer, your Junior Fellows class will work together with dedicated mentors to achieve the following:

- Job shadowing
- Project-based learning
