BIG FUTURES

CAREER & COLLEGE READINESS

Preparing Littles for Their Future

When Littles enter high school, BBBSCI continues to support, coach, and provide resources for matches as they work toward graduation. Big Futures offers the approximately 400 high school-aged Littles served by BBBSCI annually, a series of opportunities focused on the school-to-workforce pipeline. These events encourage Littles to develop hard and soft skills, assist in exploration of different career paths, break down barriers, help Littles make important professional connections, and provide Littles access to important resources.

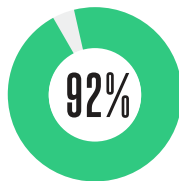

2022-2023 Big Futures Events & Programming

Big Futures programming will occur on the 2nd Saturday and 4th Thursday of each month.

- Youth Leadership Series in partnership with The Indianapolis Colts
- Graduation Kick-Off Event including senior photos
- Opportunity for matches to attend CLD College Fair
- College preparedness sessions with InvestED
- Indiana-based University Tour
- Ivy Tech Community College Tour
- Ivy Tech Community College Liaison
- Service Project
- Career Exploration and Networking Event
- EmployIndy resources including Job Ready Indy Badges
- Industry education & exploration visit
- Etiquette Dinner and Lesson
- Scholarship Opportunities
- Graduation Celebration Event
